Register as a service provider of these services

or

Registered Service Provider

Registered service provider members are companies agreeing to work to the standards published by the CSCA and whose processes are audited by the CSCA.

Benefits:

- Input into running of CSCA (i.e. opportunity to stand for election to management committee)
- Opportunity to influence guidance and regulations regarding water treatment and cleaning operations.
- Voting rights
- Latest industry updates (including the opportunity to contribute to newsletters)
- Listed on CSCA website as Service Provider member.
- Use of CSCA Registrant logo for publicity
- A free copy of BG 29/2020
- Access to CSCA Q&A and members area
- Discounted members rates to CSCA events
- Company Audits (*Service Provider members only*)

How to apply:

1. Go to [Downloads](#) on the CSCA website.
2. Click on and read through '[Code of Practice](#)'
3. Click on and read through '[Registration Procedure – Service Providers](#)'
4. Click on and read through the '[Service Delivery Standard\(s\)](#)' appropriate to the membership category you are applying for.
