**Closed Systems
Special Event for Facilities Managers**

Thursday 21st May 2026 at 1PM

The Closed Systems Control Association: Driving Standards and Performance Across the FM Sector

Are your FM companies confident in their understanding of closed systems? Join us for this **FREE webinar** to hear the latest thoughts on: FM practical completion & fit out, water quality across large portfolios and the benefits of using CSCA registered service provider members. Share the webinar event page link with your clients to invite them to this free virtual event tailored specifically for the FM sector.

AGENDA:

CHRIS PARSLOE Speaking on:
Water Quality across large portfolios

ED PICTON Speaking on:
FM Practical Completion & Fit Out

JOHN SMITH Chairing the webinar & speaking on:
Benefits of using CSCA Service Provider members

PLUS there will be a closing Q&A session for **YOUR CHANCE** to **HAVE YOUR SAY!**

Auditing Update

Registered Service Provider members are being contacted to schedule their remote audit with CSCA Auditor Jill Cooper. We will be in touch with everyone shortly.

Nomination Forms for FM representative on CSCA Management Committee

The CSCA Management Committee currently has a vacancy for a Facilities Management (FM) representative. The closing date for nominations is 15 May 2026. For a nomination form, please contact: admin@cscassociation.org.uk.

CSCA Member Benefits

All members are provided with login access to the CSCA website's Members' Area. This section contains a range of technical guidance documents, including the CSCA Standard specification for maintenance water quality monitoring in closed circuit water distribution systems. If you do not have login details, please contact admin@cscassociation.org.uk.
